WED 16 **CEIBA TOPS – CANOPY WALKWAY – CEIBA TOPS (B, L, D)**

AM

This full-day adventure to the Canopy Walkway departs Ceiba Tops at sunrise by speedboat to travel along the Amazon and Napo Rivers to the Amazon Rainforest Reserve and ExplorNapo Lodge where you will arrive just in time for breakfast. After that, a short 45 minutes hike in pristine forest brings you to the Canopy Walkway, a suspended bridge spanning over 500 meters (one-third of a mile), connected by tree platforms and reaching a height of over 35 meters (115 feet) above the ground. Here there is time to observe a part of the rainforest rarely seen by man but accessible without any type of climbing skill or equipment, an adventure for all ages. After lunch at ExplorNapo, you will visit the ReNuPeRu Ethnobotanical Garden where over 240 species of medicinal and useful plants are tended by a shaman. Your guide will translate while the shaman explains many of the local uses of these plants and the spiritual healing that is practiced together with the medicines derived from the plants. Return to Ceiba Tops in time to enjoy the pool or hammocks before dinner. Overnight.
